

Responsible Pet Ownership Program

Recently at the Introducing My Child meetings, the Year One teachers informed families about the upcoming visit by the Responsible Pet Ownership Educators.

The Responsible Pet Ownership (RPO) Program educates children from ages 4-12 on living safely with dogs and responsible pet ownership. The RPO Programs Pet Educators and their suitability tested dogs visit over 2000 kindergartens and 800 primary schools throughout the state yearly promoting the vital safety messages through animated presentations, song and role play.

We are very fortunate to be able to secure a booking with the Educators for our Year One students.
