### THE PARENT INFORMATION SESSION

Many parents find it difficult to discuss or answer questions relating to sexuality. Every year almost 40 000 young people and their families participate in sexuality education programs. These programs are designed to help 'break the ice' when talking about the important and sometimes sensitive subject of sexuality. This session offers an opportunity for parents to find out more about the range of services offered by HUSH Education, talk about some of the issues or concerns some people may have about sexuality education and preview some of the resources used in the HUSH Education program. **The parent information session will be held in Room 2 Block A on Tuesday 26<sup>th</sup> of February from 7.00pm to 8.00pm. Please note: it is a PARENT session only – no children to attend.**
