

## Term Two continues...

Happy Mother's Day to all the wonderful mums and nans of the Year One students...we hope you enjoy your day relaxing with your family.

The Year One students took extra special care with preparing your cards and gifts...something special to treasure always.

**A highlight in Term Two** so far has been our excursion to **Scienceworks**. Thank you to the wonderful parent helpers who supported the Year One team on the day...it goes without saying how much we appreciate the time you took to spend with us.

Our excursion was a huge success and we all learnt something new. **Year One students were outstanding in modelling the Values while on the excursion** 😊.

**Education Week:** This will take place in week 6 Monday 21<sup>st</sup> May – Friday 24<sup>th</sup> May. Stay tuned on Compass with regards to special events during Education Week.

**Staying Warm:** as the cold weather is upon us we encourage students to wear their coats, jackets and beanies outside during recess and lunch in an effort to avoid the dreaded cold and flu. Please ensure all clothing is clearly labelled.

**FAMPA: Wednesday 30<sup>th</sup> May** - Family Maths Evening with Year One students and their parents. Please email your child's class teacher indicating numbers attending. See Compass for details.

**Report Writing Day: Friday 8<sup>th</sup> June** – Pupil Free Day.

**Queen's Birthday: Monday 11th June** - Public Holiday.

**Planning Week:** this will take place in week 10 (week beginning Monday 18<sup>th</sup> June).

**End of Term Two: Friday 29th June** – early dismissal at 1:30pm.

In Year One we respect positive parent/student/teacher relationships. We value parent helpers in the classroom and on our excursions. We encourage you to continue to communicate with your child's classroom teacher at any time throughout the term.

Kind regards,

Year One Teaching Team 😊
