A good idea for the children, is to bring a book, paper, pencils, pack of cards, to use in dressing rooms while not performing. No valuables please, including electronic devices.

**TICKETING:** (All seating is numbered)

**Tickets will be on sale from 9:00 a.m Friday 11 August.**

There is seating capacity for 490 people each night. Approximately 550 families are involved across the two nights. Tickets and seating will be allocated as money is received.

**In order for all families to be able to attend, unfortunately we will have to limit the allocation of one ticket per family to the last 50 families purchasing tickets for each evening's performance.**

**Please note:** to comply with the Centre's policy, only siblings 12 months or younger will be able to sit on the knee of a parent. Please take this into consideration when booking your tickets.

*Tickets are \$30 (including GST). This will go towards covering the cost of hiring the venue, all dressing rooms, all audio visual equipment and the printing of the tickets. It also goes towards the production of props and costumes and a copy of the program. Your ticket includes entry into a lucky seat prize to win a money tree.*
