

Museum In Motion

Dear Parents,

During this unit, students in our class will be learning about the events and pioneers that shaped early Australia. They will be working in pairs to create a diorama to depict an important event in Australia's history. Each student in our class will also be learning about the life and impact of a pioneer.

During the Opening Night of our Museum In Motion, students will conduct a role-play as a pioneer that they have researched, answering questions as the pioneer.

Opening Night Invitation

You are invited to attend the opening of our 'Museum In Motion'. Come along to explore our diorama exhibits and speak to the pioneers of early Australia. The expectation is that all students attend the evening to present their pioneer learning centre.
