

Family Life

Year 4 have just finished the Family Life program. The program went for 3 weeks and we learnt about these 3 topics:

1. Myself and my family
2. Body parts and functions
3. Reproduction, pregnancy and birth

In Term 1, every Wednesday Shirley visits each of the year 4 classes for an hour to teach us new things about each topic.

In our very first lesson we discussed how families work and what it means to be in a family. We learnt a really important message in that lesson - Every family is different, they come in all shapes and sizes!
