

The **PURPOSE** of Plenty Parklands Primary School is -
to educate children as lifelong learners to shape a better Australia.

Principal's Message

Thanks to our Quality student leaders who reminded our year 1 and 2 students about our revised school values at Monday's assembly. By modelling a play scenario in the sandpit, they showed the difference that living by the values can make.

A FAIR GO FOR ALL	<p>I live by Australia's tradition of democracy and freedom.</p> <p>I live in harmony and am open minded to diversity</p>	<p><i>I accept people based on what they do and say, not on what they look like or on their background.</i></p> <p><i>I am tolerant and understand that it is okay for people to be different.</i></p> <p><i>I let people join in.</i></p> <p><i>I share with others.</i></p> <p><i>I listen to other opinions.</i></p> <p><i>I take turns.</i></p>
HONESTY	<p>I tell the truth, even when it is difficult</p>	<p><i>I tell the truth even when I have done the wrong thing.</i></p> <p><i>I tell the truth to report any problems or issues.</i></p> <p><i>I tell the truth even if my friends are involved.</i></p> <p><i>I follow the values and rules without being told.</i></p> <p><i>I tell the truth in a way that does not hurt other people's feelings.</i></p>
RESPECT	<p>I treat others as I would like to be treated, with kindness and courtesy</p>	<p><i>I speak to others in a friendly way.</i></p> <p><i>I listen when someone is speaking to me.</i></p> <p><i>I follow the school processes.</i></p> <p><i>I use equipment and buildings responsibly.</i></p> <p><i>I am punctual. I arrive to school and class on time.</i></p>
TRUST	<p>I am responsible and do the right thing</p>	<p><i>I can be trusted to live by the school values, including when no one is watching me.</i></p> <p><i>I will report any problems or issues.</i></p> <p><i>I am not a 'by stander' or 'on looker'.</i></p> <p><i>I speak and act appropriately at all times.</i></p> <p><i>I keep private matters, private.</i></p>
CARE	<p>I am kind to others and considerate of their feelings</p>	<p><i>I take an interest in others.</i></p> <p><i>I look after others when they need help or support.</i></p> <p><i>I try to encourage others through using a positive sense of humor.</i></p> <p><i>I have zero tolerance of bullying; I do not accept or let bullying happen.</i></p> <p><i>I get along with others.</i></p>
PERSONAL ACHIEVEMENT	<p>I put in my best effort, individually and as a team member, by being persistent, resilient and responsible for my learning and behavior.</p>	<p><i>I have a go at learning new things.</i></p> <p><i>I set high but achievable goals.</i></p> <p><i>I strive to achieve my goals.</i></p> <p><i>I put in my best effort.</i></p> <p><i>I learn from my mistakes.</i></p> <p><i>I present 5 star work.</i></p> <p><i>I am confident.</i></p>

PRINCIPAL'S MESSAGE CONTINUED

Speaking of living by the values, adults, including staff and community members, need to model these every day. Thank you to the ones who do in terms of the parking around PPPS. Thank you for using the drop off area correctly, i.e. dropping off children, not leaving the car unattended and walking their child to the room; moving down the drop off area, not stopping in front of the gate as this holds up the flow of cars, and; arriving before 9:00 am so that their child is punctual to school. We know that parking can be a nightmare; however, we must put the safety of all children, not just your child, before convenience.

Reminders: The idea at the front of the school is that you can drop your kids off outside the school, help them get out of the car if necessary, give them a kiss and send them on their way, safely into school. Then you can continue on to work or other activities. School pick up can be a bit more of a challenge though. The reason being that kids dawdle out of school, making their parents wait longer than the parking limit. Many parents also arrive before the school bell, rather than potentially leaving their kids waiting. If this happens, you must drive out of the pickup area, and trust that your child will be there when you return in five or so minutes. It doesn't hurt children to wait.

Our zone has limited time signs

Our parking time limits and zones work efficiently if everyone abides by the time restrictions and moves on. Due to the yellow line at the front of the school, you cannot stop or parallel park in front of the school at any time. Also, if you use this area you should encourage your kids to move quickly out of car in the morning and be ready to hop in the car when you arrive after school. If your kids are not out the front ready when you arrive, you need to move on and let others use the facility.

No Stopping Zones around Schools

There are usually No Stopping zones around schools to ensure the safety of everyone. These are usually located at the school crossing, driveways, intersections and where parking would risk the safety of pedestrians, bicycle riders and

motorists. It is essential that you don't park in these locations.

No Stopping means that you cannot stop along the section of road AT ALL. That doesn't just mean stopping to park or drop off, but stopping your car, even with the engine running. Obviously being held up due to congestion is unavoidable and is not considered stopping in this instance. However, sometimes this congestion is formed due to a queue to enter the drop off zone. The car stopped in this queue is considered to be stopping and it is ILLEGAL, as you are holding up the traffic behind you. Please keep your child and every child safe by showing care when dropping off and picking up children around PPPS.

Wednesday March 29 is a special JSC fundraiser

Trees help us breathe fresh air, they provide homes for birds and small creatures, they shelter us from the sun and they help our grounds look welcoming and attractive.

Big trees take years to grow and we would like to add some right now.

Please help us raise money to buy and plant some more trees so we can enjoy all the benefits that trees can bring.

By dressing in casual clothes (appropriate for school) and bringing a gold coin you can help us add more green to our school.

Thank you for your support

Our Quality student leaders are now working on something for each student and family to have to remind them of our values.

On 29 March there is a special JSC fundraiser, we will be raising money for more big, shady and mature trees. It will be a casual dress day and will require a gold coin donation.

Tomorrow, Friday March 24 2017 is Earth Hour Schools Day

In 2017, World Wildlife Fund is celebrating 10 years of Earth Hour and 10 years of progress on changing climate change. Our actions on climate change will shape the future for our children. They know more about climate change than any other generation. And they have extraordinary views on what they want for their planet. You and your children can become a part of the movement and start to take action on climate change by visiting earthhour.org.au to register for Lights Out or find your local event. Plenty Parklands is participating in Earth Hour Schools Day tomorrow, **Friday the 24th March**, by switching off the lights for one hour after lunch. Don't forget to also switch off at home on Earth Hour, on Saturday 25th March 8:30pm-9:30pm. Switch off to #JoinTheFuture.

INTRODUCING THE YEAR 4 TEACHING TEAM

Meet the Year 4 Team

Hello. I'm Clinton Lowes and this is my fifth year at PPPS. I'm excited about working with our team in 2017. My interests outside of work include seeing bands, watching films, playing drums and learning Karate. I love the mighty Melbourne Storm NRL team and look forward to being at the home games again this year.

Hello! My name is Ineke Van Vliet and this is my third year teaching at Plenty Parklands. When I'm not teaching I'm dancing, camping, listening to music, eating good food and spending time at the beach with my husband (in two days!). I am very excited about the year ahead and I love teaching my year 4-32 class.

Hi there! My name is Stephanie De Cata and I am the very lucky teacher of 4-31 this year. This is my second year here at PPPS and I look forward to an exciting year ahead with my awesome students! When I'm not at school, I'm either soaking up the sun at the beach or spending time with my family and friends. I also love to dance and draw. 2017 is going to be another great year in year 4 for us!

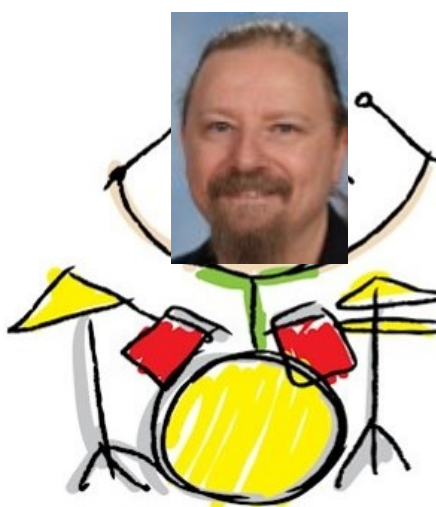

Hi everyone, my name is Chris Uniacke and I'm proud to be the teacher of 4-29. I am in my first year of teaching and really loving being part of the Plenty Parklands family. My family includes my partner Jackie and our 6 kids Connor, Bethany, Harrison, Ella, Gabriella and Chloe. When I'm not at school I spend most of my time with my family simply enjoying life and watching all sorts of sport. I'm really excited about our year ahead and the fun and great learning we will have in 4-29.

Volunteer Helpers at PPPS

Please note that if you attended a training session in the past, you do NOT need to attend another one. 'Once trained, we have you for life!'

For new volunteers we are offering two briefings this term

So that we can strengthen our interdependent partnership between Plenty Parklands Primary school and the community we offer training sessions for parent and community members. Over the years our students have benefited from the work and dedication of hundreds of helpers. We are always ready and willing to welcome even more. You may be a new member of our community and keen to offer your help while also getting to know other community members.

The sessions will outline your role and responsibilities with regard to Privacy, Work Cover, Harassment and Occupational Health and Safety legislation. In line with our values, particularly those of Care, Trust and Respect, you will understand that the safety and care of your children are the most important considerations when implementing a program such as volunteer helpers. Also **with legislation related to a range of issues it is imperative that ALL volunteers are briefed before they are able to help in any way at school. You need only attend one of the briefings.**

This training includes everyone who would like to start to help in any or all of the following areas; canteen, Parents Social and Fundraising sub committee (PSF), interschool sport, uniform shop, classroom helpers (in any area of the curriculum), excursions, special event days, fun day at the end of the year, fruit distribution, gardening, sports coaching, P.E. programs such as the Prep Perceptual Motor Program (PMP) and any transportation of students. In fact, anyone who helps at the school in any way. Please note that helpers on school camps have a special briefing prior to camp. The dates for term 1 are:

Tuesday 28 March 6:00 to 6:30 p.m. or Wednesday 29th March 9:15 to 9:45 a.m.

Remember that you need to participate in a training session in order to help in any capacity at the school. The briefing takes about 30 minutes and will be held in the conference room (library) or staff lounge (staff room).

After completion of this short briefing, you will be welcome to help at PPPS at any time in the future in a 'one off' or ongoing situation.

Please see this invitation as an opportunity to get to know other members of our school community while also providing the students of PPPS with invaluable support and assistance.

Don't worry; there are no hard questions to answer or problems to solve. You just need a willingness to help and we'll do the rest!! We look forward to seeing you at one of these sessions.

PLEASE SEE PATH BELOW TO REGISTER YOUR ATTENDANCE

For information about Volunteer Training and to register your attendance for one of these sessions please go to the PPPS webpage.

Follow the path;

Forms and Notices, Volunteers, Volunteer Training for information and registration.
