

Family Fun Night

Mr B. working hard

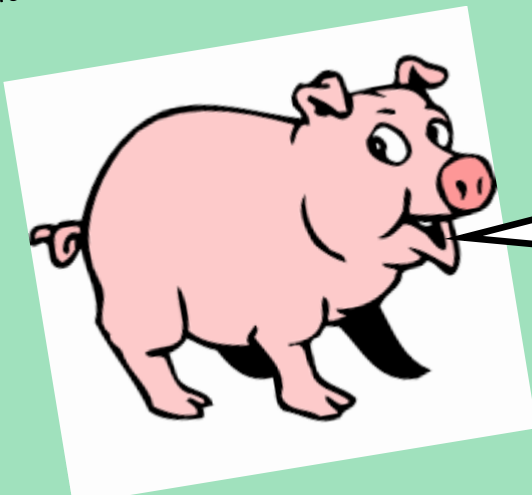

On the 16th of March, the PPPS community came together for the annual Family Fun Night, which was well attended by parents, teachers and students alike, and enjoyed by all. Family Fun Night 2017 featured stalls and activities that included fairground rides, coffee, biscuit decoration, tattooing and hair colouring, and a variety of foods and treats.

Here's what Year 5 had to say about it...

Family Fun Night was a BLAST, we had so much fun. The rides were so cool, you could just feel the wind blow past your hair—that's how fast they were! You could smell the sweet scent of fairy floss and popcorn for miles, they were both delicious. And who could forget the adorable farmyard animals. Overall it was a great night for everybody.

There were bargains to be had outside the library, with tables of books and toys and all you could ever want. You didn't know where to go next, there was just so much fun to be had! Congratulations to the lucky year 5s who won prizes in the raffle!!

A huge thanks to the parents, teachers and students who helped out and everyone else who put the FUN in Family Fun Night 2017. See you next year!
