

Science Fair was great. The best thing was doing the experiment in front of the parents and working in groups—Evan

We think the Science Fair was great! Lots of people came to our station and asked many questions. We loved Science Fair! - Hannah and Miria

Science Fair was really fun because the students and parents loved it—Sienna S  
Science Fair was amazing. I loved asking the questions. —Viktoria M.

Science Fair was the best. Our favourite part was when  
people came to visit our experiment — Kelly

When I looked around the classroom I was amazed. It was very  
exciting to see all these incredible experiments.—Jack T

It was great because we could share our amazing projects. —Cooper S.  
I think the Science Fair was great because I had fun.—Nicholas F.
