

Year 4 Camp to Phillip Island Adventure Resort

*Canoeing and raft making
were incredible—Kelly*

The food was great...a luxury even—Jacob

The giant drop was freaky—Brodie

The initiatives course got me thinking—Khalid

We also loved our free time. We spent it with our cabin groups, relaxing and playing games or just completing our duties.

We had lots of fun doing many activities like canoeing, raft making, low ropes, initiatives course, the flying fox and giant swing. We even went to the beach and Amaze n Things!

Amaze n things felt like Heaven—Mackenzie

The talent show and pyjama disco were also a big hit!

Best and scariest moment was the giant swing! - Nicole
