

# Responsible Pet Ownership

This week the Year 1s had a visit from the RSPCA Responsible Pet Ownership program. We learnt about how to keep our pets safe and how to stay safe around dogs. Gemma the Staffy let us practise safe and gentle patting with her. We all learnt a lot and had fun!

We learnt what to do when we come across an angry dog.

We learnt to walk up slowly and stop, ask the owner, let the dog smell your hand and stroke gently by singing a song.

We let them smell us.

We don't approach a dog when it is eating.

"Can I please pat your dog?"

Then we pat them gently.
