

‘Museum in Motion’!

On Wednesday the 20th June, the Year 5’s most anticipated evening of the term arrived... ‘Museum in Motion’! Throughout term 2, the Year 5 students have been learning about early Australian History. The ‘Museum in Motion’ evening was an opportunity for students to exhibit all of their work on an event from early Australian History as well as a pioneer. Not only were items of work displayed, students dressed up to play the part of their pioneer. So much effort was presented by all students who were showered with compliments by some very proud family members.

Well done year 5’s!
