

Dance

in Year 4

Whether we attended the Family Dance Night or just participated in the dance program at school, we've really enjoyed our time in dance with Mr Skinner. It's been a fun 5 years in the program and we've learnt many dances that we are able to show off outside of school, like the Nutbush and Macarena. Some of us even got to show off our moves at the Family Dance Night (which was great).

GO GREASE LIGHTNING!
