*"The food was great!"*

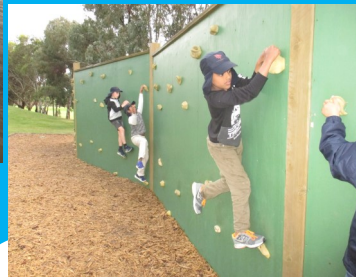

*"The initiatives course and puzzles got me thinking."*

We also loved our free time. We spent it with our cabin groups, relaxing and playing games or just completing our duties.

*"The giant drop, giant swing, and flying fox were scary but fun!"*

We had lots of fun doing many activities like canoeing, raft making, low ropes, initiatives course, the flying fox and giant swing. We even went to Smith's beach and Amaze n Things!

The talent show and pyjama disco were also a big hit!
